Road Trip 2013 National Corvette Museum Lee Chadbourne/David Wiggins/Ed Huck are working on a super cruise to the National Corvette Museum, it will be its 60th anniversary next year and would be a memorable time to go. They are considering a 5-6 day trip; it would be a 9.5 hours driving, and taking possible fun routes back like the "Tail of the Dragon"; "Skyline Drive", in North Carolina or the "Bourbon trail" in Kentucky; to name a few possibilities. If you are at all interested let one of these men know.

Go Fast Day in Carrabelle Chris Keena reported on this event at the airport in Carrabelle recently, he had a great time and would like to encourage other members in attending next year, if not to race just to watch! Fastest car was clocked at 169.84 miles

an hour; you will need to ask Chris what car did this, and what it had special to make this amazing time.

Swamp Gravy Play and Lunch Road

Trip: This was really fun! We had a great time by all that attended. This will be a "must attend" event next year! The weather was amazing, the play was inspiring, and the food was finger lick 'in good!! A big thank you to the planning on this trip!!

Lighthouse Children's Home:

Christmas gifts will be presented on **December 15th at 11:30 a.m.** please plan on attending the girls really enjoy the cars! This really is a special program to support; we all have been greatly touched by the girls each time we go there. Brother Billy Hudson is doing such an amazing job with these girls to give them direction and a better chance to succeed in their lives. In the season of Christmas, please support a girl with a suggested \$50.00 donation; and join us with good cheer and support for this program.

Elections: November 15th will be the cutoff date for nominations that need to be given to Mike Russo our distinguished Supervisor of Elections. Elections will be held the first meeting in **December 6th; at 7:00 p.m. / Po'Boys, North Tallahassee.**

Memberships: We are asking to renew your membership for the next year. They have been set at \$30.00 single member; \$40.00 for family membership. This is to help offset the cost of our club insurance that we pay around the first of next year.

Car Show 2103: March 23rd will be our Car Show next year 2013. Russ Sobczak; and Kenny Blankenship will be planning this event to be held at "Dale Earnhardt, Jr.

Chevrolet". This is a main event for our club. We need volunteers, silent auction items; and a lot of energy to make this event successful. So mark your calendars you won't want to miss this!

Also it was mentioned by our past president Beverly Blankenship if we could approach businesses before the end of the year they may make our silent auction items a priority at the first of the year. Keep this in mind as we close out the year.
