## February Events:

**Business Meeting** – Our first meeting at the Golden Corral was very successful. The food was enjoyable, as there was a big selection to choose from. As promised in last month's newsletter, reserved parking would be available for the Corvettes. Well of course when we arrived the space wasn't reserved for the twenty-five Corvettes that showed up. After much complaining from members, the management of the Golden Corral promised once again to reserve spaces for the April meeting. There will be plenty of daylight once we go to daylight savings time in April, so come on out and bring your Vette so the public can admire these beautiful cars. Come join the fun the first Thursday of each month, 7:00 p.m. at the Golden Corral 1630 N. Monroe Street.

**Sonic Gathering** - The March gathering exceeded all expectations, as there were 35 Corvettes that made it to the Sonic that night. We finally had a warm dry evening all though it looked as if it may rain in the late afternoon. Now that the weather is getting warmer and with the change to daylight savings time attendance will surely exceed the 35 March number. Please remember that the April 20<sup>th</sup> Sonic Gathering is on the same day as the Spring Fling car show, so make it a full day of fun and drop by the Sonic after the car show. Corvette gatherings are always held the third Saturday of each month beginning at 7:00 p.m. located at the Sonic Drive Inn on North Monroe Street.

## Future Events:

Whether you have a classic or hot rod or just want to look, all are welcome, bring the family. This is a great way to cruise, meet people and see some awesome cars. The next cruise is May 4. This is a new event that has been added to our event's calendar. It now appears that there is something for car lovers to enjoy every weekend of the month. During the summer this leaves little time to accomplish yard work.
