June Events:

Business Meeting – Topics discussed during this meeting included the annual trip to the Bloomington Car show and the upcoming Watermelon Festival parade on June 15th. The July Business Meeting has been canceled because the first Thursday in July falls on the 4th. Come join the fun the first Thursday of each month, 7:00 p.m. at the Golden Corral, 1630 N. Monroe Street. Don't forget to bring your Corvette.

Sonic Gathering – After last month's rainstorm, June was a welcome as we had eighteen Corvettes to attend the gathering. This is an increase from previous months. Plan to attend as many of the gathering as you can, before you know it the summer will be behind us and the events will then be competing with football. Corvette gatherings are always held the third Saturday of each month starting at 7:00 p.m. located at the Sonic Drive Inn on North Monroe Street. The next gathering is April 21st at the Sonic Drive-In on North Monroe Street starting at 7:00 p.m.

Watermelon Festival Parade - This year's event was uneventful at best. The club participation this year was low, as there were only ten cars to participate in the parade. I have driven in numerous parades over the years and I have to say that this won the award for lack-luster. The Jefferson County crowd was not into this parade at all. There were no bands that participated this year and the floats were not up to past standards. If we get an invite from the parade chairman next year we may need to give this some serious thought before we commit to participate.

Future Events:

Capital City Cruise - On the first Saturday of each month, meet at the Waccamaw parking lot at 4:00 p.m. The cruise begins at 5:00 p.m. through Tallahassee to Apalachee Parkway, ending up at B. Merrell's to hang out and eat. They have lots of reserve parking, 10% off food, extended happy hour pricing and reserved seating inside and out so you can see your car. Whether you have a classic or hot rod or just want to look, all are welcome, bring the family.

Street-Rodders Monthly Event – On the last Saturday of each month, the Tallahassee Street-Rodders invites all that are interested in cars to attend their monthly event at What-A-Burger located on Thomasville Road. At this event you can find an assortment of classic cars of all makes and models. Cars start arriving around 6:30 p.m., if you want a place to park get there early and don't forget your lawn chairs. The next event is July 27th.

Corvette Beach Odyssey - The Emerald Coast Corvette Club of Panama City is hosting a Corvette Weekend to be held September 20th - 22nd. Registration is \$35.00 if paid by September 1st, \$40.00 after September 1st. Make checks payable to Emerald Coast Corvette Club. Registration is Friday night (6:00 p.m.) at Hooters in the Publix Plaza on 23rd Street. The show and shine is on Saturday morning (9:00 a.m.) at Tommy Thomas Chevrolet on 23rd Street. For more information contact Don McFarlin at (850) 874-0985, Lou Peluau at (850) 286-6963 or Bo Williams at (850) 866-3733.

Club Paraphernalia:

B.J. Allen offers a variety of items that can be made per any specifications and also has baseball caps (any color), shirt or any attire with the club logo. She also has the ability to place a picture of any year Corvette on jackets as well. To order call 878-4388 or e-mail B.J. at BJAllen16@comcast.net. Club decals are available for \$5:00 each and additional magnetic identification badges with the club logo are also available for \$6.00. Call Joe Fuller at 668-3380 if interested.

A Busy Spring:

The number of events on the club schedule this spring may have caused "**Cruisin' Burn-Out**". This condition is a rarity because we do like to cruise. To put this condition into prospective there were twelve events spread over a five-month period, February through June, in addition to four regular events held each month. The regular events consist of our Business Meeting held the first Thursday of each month, the Capitol City Cruise held the first Saturday of each month, the Sonic Gathering held the third Saturday of each month and the Street Rodders Event held the last Saturday of each month. Keeping up with this schedule puts a damper on most weekends!

The additional events began with our annual Sweetheart Party on February 10th. March picked up with a car show held at Champion Chevrolet on March 2nd and a parade to honor Camp Gordon Johnson veterans on March 9th. The busiest month of all was April. It began with the Springtime Tallahassee Parade held on April 6th, the University Chevrolet Car Show held on April 13th and the Spring Fling Car Show held on April 20th. Two events were held on April 26th that included the Thomasville Rose Parade and the Beach Caravan to Panama City. May was a light month with only three events, by this time we needed a break. The three events held in May included the Corvette Rally hosted by Foster Motors, the Corvette Cruise-In hosted by Bruce Glueck Chevrolet in Jasper and the Benefit Car and Truck Show hosted by the Christian Rodders of Tallahassee. The month of June could only muster the Jefferson County Watermelon Festival Parade held June 15th in Monticello.

You can see why most club members caught the "**Cruisin' Burn-Out**" disease during the spring. Don't be alarmed we recover quickly. With a few weeks, months or years of rest the club will be back in action shouting our motto, "**Cruisin' Corvettes On The Go**".

Picture Day:

On July 20th at 4:00 p.m. please meet at the vacant lot next to the Another Broken Egg restaurant across from the Bradfordville Publix on Thomasville Road for a group picture of the club. It is important that you attend as we want as many members and their Corvettes present as possible. Some of you may not know, Cruisin' Corvettes is one of the larger clubs in America based on the number of members on our roster. We want to use this picture for advertisement in some of the Vette magazines, don't be late and plan to attend. Afterwards we will cruise to the Sonic for our regular monthly gathering.

Funnies of the Month:

ANDERSEN

The Arthur Andersen partner was on his cell phone when he said,
"Ship the Enron documents to the feds,"
but his Secretary heard,
"Rip the Enron documents to shreds."

It turns out that it was all just a case of bad cellular.

Sprint PCS The clear alternative to cellularSM
