April Events:

Business Meeting (04/03/2003)

This months meeting was chaired by our Treasurer, Rick Spring. Item of discussion included upcoming events such as the Spring Time Parade. We had a good turnout of Corvettes for the parade totaling twenty-two. Business meetings are always held the first Thursday of each month starting at 7 p.m. located at the Golden Corral Restaurant on North Monroe Street.

Sonic Gathering (04/19/2003)

Too bad this was the Easter weekend; the weather for this month's gathering was perfect. The turnout was pretty good considering that most members were on the road visiting with their families. A total of fourteen Corvettes participated in the April gathering. Next month should draw numerous Vettes now that warm weather and additional daylight hours are here. See all of you at the May Gathering! Corvette gatherings are always held the third Saturday of each month starting at 7 p.m. located at the Sonic Drive Inn on North Monroe Street.

Spring Fling Car Show (04/12/2003)

The Spring Fling Car Show was held on Saturday April 12th. There was a good number of Corvettes that participated in this show, most were from our club. Seven of our members won plaques. See the pictures below of the winners.

Bill Moremile with his 1961 white convertible won first place for the C1 class (1953-1962).

Bob Cotsonas with his 1966 yellow convertible won 2nd place for the C2 class (1963-1967).

Jerry Culbreth won 1st place with his black 1968 T-Top (C3 1968-1982) and 3rd place with his 1966 orange convertible.

Rick Spring with his 1967 red convertible won 1st place for the C2 class (1963-1967).

The "Life of Riley" doesn't get any better than this eating a picnic lunch along side beautiful cars.

A comparison of the older cars to the new was a favorite attraction at this show.

Cruisin' the Coast (10/05/2003)

The 8th annual Cruisin' the Coast will be held October 5th - 12th in Biloxi Mississippi. Last year's event had a total of 5,208 cars registered. In 2003 and beyond, Cruisin' the Coast will officially "sell out" at 6,000 registered cars. This decision was based on trying to keep the inconvenience to both cruisers and locals to a minimum. The 2003 show will be the last year to "grandfather" vehicles that are less than 25 years old. This is in keeping with the vast majority of input received from participants. Other exceptional vehicles such as newer models that have been extremely customized will be considered for acceptance based on a decision from a jury. For more information call 1-888-808-1188 or visit their web site at www.cruisinthecoast.com.
