May Events:

Business Meeting (05/01/2003)

A major topic of discussion at this meeting was election of the Board of Directors. Our bylaws states "The officers of the club shall be a President, Vice-President, Treasurer and Secretary." Since our conception in May of 1998 dedicated members filled these roles without an election. Now that our membership has grown since that time, we need to provide this opportunity to other members. We need volunteers soon as elections will be held within the coming months. Business meetings are always held the first Thursday of each month starting at 7 p.m. located at the Golden Corral Restaurant on North Monroe Street.

Sonic Gathering (05/17/2003)

May was a busy month for club members as there were three events held the weekend of May 17th. The Beach Caravan to Panama City began on Friday of that week and ended Sunday, the University Chevrolet Car Show held on Saturday and the Sonic Gathering held Saturday night. In lieu of these events we still had nineteen Corvettes to visit the Sonic in May. I want to thank Milton May for welcoming visitors to the Sonic as many of us participated in the Beach Caravan. Corvette gatherings are always held the third Saturday of each month starting at 7 p.m. located at the Sonic Drive Inn on North Monroe Street.

University Chevrolet Car Show (05/17/2003)

The University Chevrolet Car Show was held on Saturday May 17th. Due to a conflict with the Beach Caravan held the same weekend, the number of Corvettes to participate in this show was limited. Four of our members won trophies. See the pictures below of the winners.

Congratulations to Bob Janus for winning a trophy with his 1968 blue big block Corvette.

Pictured above is Bob's winning 1968 blue big block convertible with side pipes.

Congratulations to Tom Hannah for winning a trophy with his 1980 white Corvette.

Pictured to the right above is Tom's winning 1980 white T-Top with the hood raised.

Congratulations to Bill Moremile for winning a trophy with his 1961 white Corvette.

Pictured above is Bill's winning 1961 white convertible with the hood and trunk lid raised.

Congratulations to Rick Spring for winning a trophy with his 1967 red Corvette.

Pictured to the left above is Rick's winning 1967 red convertible with the hood raised.

Other Corvettes participated in the show that were not affiliated with our club such as this 40th Anniversary Pace Car.

The number of Corvettes was limited but there was an abundance of other beautiful cars to view.

Club member Bill Moremile and his Father certainly agree that his 1961 Vette is a beauty.

Club member Bob Janus is proud to exhibit his 1968 427 big block power plant.

Cruisin' the Coast (10/05/2003)

The 8th annual Cruisin' the Coast will be held October 5th - 12th in Biloxi Mississippi. Last year's event had a total of 5,208 cars registered. In 2003 and beyond, Cruisin' the Coast will officially "sell out" at 6,000 registered cars. This decision was based on trying to keep the inconvenience to both cruisers and locals to a minimum. The 2003 show will be the last year to "grandfather" vehicles that are less than 25 years old. This is in keeping with the vast majority of input received from participants. Other exceptional vehicles such as newer models that have been extremely customized will be considered for acceptance based on a decision from a jury. For more information call 1-888-808-1188 or visit their web site at www.cruisinthecoast.com.
