Note from Beverly:

How about the big Corvette showing at the July Whataburger Cruise in? The Whataburger parking lot is beginning to fill with more and more Corvettes as Fall weather finds it's way to Tallahassee. Whataburger seems to be a great meeting place for us! We have picked up numerous members at the Whataburger cruise-ins since we began meeting there. The staff at Whataburger are very helpful with picking their favorite Vette of the month.

The members' only page is now updated with the most recent members. You can even check to see when your dues were paid! If you need the user I.D. and password, just ask. *As a reminder, the member's information is not to be used for any solicitations or given out to anyone who is not a member of the club!*

Let us not forget those over to the west of us who are suffering such tremendous losses. Remember them in your prayers.

Future Events:

September 1 – Cruisin' Corvettes Business Meeting at 7:00 p.m. at Golden Corral on Monroe Street.

September 3 – Capital City Cruizers Cruise-In at Popeyes on Thomasville Road at 6:00 p.m.

September 17 - Cruisin' Corvettes Whataburger Cruise-In on Thomasville Road at 6:00 p.m.

September 17 - Clean Star Janitorial Supply in Thomasville and the Thomasville Cultural Center would like to invite the Crusin' Corvettes of Tallahassee to our September 17th Antique Car and Truck Show. This is a new event we are starting to help benefit the Thomasville Cultural Center. The show has been privately organized by

the Center and local car and truck enthusiasts. The entry fee will be \$25 with the day beginning at 8:30a.m. with breakfast for two. There will be a mid morning cruise through historic Thomasville with snacks and treats along the way. There will also be lunch for two included as well. The public will come view the cars and trucks in the afternoon and the day should wrap up around 4p.m. We will not be judging in this show and all proceeds go to the Cultural Center. After all, every car is a trophy and it is all about having fun and fellowship. Goodie Bags will be available for each car participating. Again we would love to have the Crusin' Corvettes come spend the day with us in Thomasville. The Cultural Center is located directly off of US 319 N (Jackson Street) in Thomasville next to the Thomasville High School Football Stadium. This will be to your left as you make your way north on US 319. The Center will be open free for viewing throughout the day and will have all new exhibits. Some of the famous wildlife exhibits will be showing as well as a new series on WWII among many others. Please invite any other clubs that you feel would participate and anyone else who has a car or truck. Please call me if you have any further questions.

Thanks and have a great day!
