

Tallahassee, Florida

January, 2008

"Our enthusiasm and passion for the Corvette has brought us together to learn, enjoy and fellowship with each other while enjoying this great American sports car."

Greetings:

Where did 2007 go? During 2007 there were so many car shows and other car related events going on that about every weekend was filled. I hope you all had a great year and can look back to some good memories made during the year.

With the New Year beginning, Cruisin' Corvettes is going to be cruisin' in new directions. One of our most important resolutions this year is "communication". A vote was made during the November meeting to e-mail newsletters to those members who have computer access. As the community goes green, this is one of the club's actions to save the trees! Members without computer access will be mailed a copy of the newsletter. This action is not only saving paper, but also printing, gas and stamp expenses. Along with this month's newsletter, we have included a membership application. Please take a minute to complete a new one this year to send in with your membership renewal. This will give us the opportunity to update our membership list with current addresses, phone numbers and e-mail addresses. Another change that is already on task is a calling committee. Lee Chadbourne is leading the calling committee and it has proved successful. If you are interested in helping with the calling committee, please contact Lee. Amber Dyess is keeping our calendar up to date by three months so that members will have plenty of time to plan ahead. Russ Sobczak is chairing our car show committee, as he did an excellent job last year and agreed to chair it again this year. Our next car show meeting is January 17, 2008 at the Rose and Thorn restaurant beginning at 7:00 p.m. Included with this newsletter is a flyer for the show. If you are planning to attend the show, pre-registration is requested. This makes it a lot easier on show day. We are excited about this year's show and look forward to seeing you there. Volunteers are needed to assist with various duties prior to, during and after the show. If you have contacts from other clubs, feel free to pass along information regarding our car show and other events.

Last month's Cruise-In that was held at Po'Boys after our visit to the Lighthouse Children's Home to deliver Christmas gifts.. The weather was really nasty but there were a few die-hards that attended. We hope to be able to schedule another visit there when the weather is better! Car of the month for January was chosen and it is Ed and Linda Huck. They drive a white C-6 convertible. Ed and Linda are relatively new members to the club and we are excited to have them involved!

January 3rd we have our business meeting at Po'Boys. If you are interested in becoming involved in the club, this is the time to attend the business meetings and share your ideas with us.

January 12th is our Membership kick-off Chili Cook-Off! Put it on your calendar NOW! We had one hoot of a time last year. This year, chili will be judged by those "partaking" of the goods! Afterwards, we will cruise to Thomasville to Amber's mothers home for some luscious desserts. This is an event you don't want to miss.

I wish all of you a Happy and safe New Year!

Beverly
