*"Our enthusiasm and passion for the Corvette has brought us together to learn, enjoy and fellowship with each other while enjoying this great American sports car."*

Hi Everyone:

HOT, HOT, HOT!!! That is about all I can say about the weather lately! However, Cruisin' Corvettes are going to be cool, cool, cool, this Saturday after their visit to Mr. Chick's museum and lunch at Mr. Chick's. After lunch we are cruisin' to Miss Rhea's for ice cream desserts! What better way to spend a Saturday than cruisin' in your favorite, eating, enjoying the company of good friends and others who love the Great American sports car and enjoying a cool dessert on a hot day! Makes for a perfect day and I want to see every one of you there! We are going to fill Miss Rhea's yard with Corvettes. For those of you who have not been to Miss Rhea's, you are missing out on a treat. People going by on the highway frontage slow down and check out all the Corvettes in the front of Miss Rhea's home. Why, there are even those who are brave enough to ride by and race their engines for a challenge! We highly discourage any Cruisin' Corvette member to take up the challenges though!

The Cruisin' Corvettes were treated to lunch at Jerry Wise's garage last month. Jerry has a lot of interesting thing in his garage as well as some beautifully restored cars and a lot of history that he loves to share. It was a hot Saturday but we all enjoyed visiting your garage Jerry. Thank you for inviting us and I am sure we will be back again.

Congratulations to the Vette of the Month – Chris Keena's 76 black coupe took top honors!

We are looking forward to this weekend and to our July events. If July we are having another Cruisin' Corvettes bowling party at the bowling alley on Capital Circle SE. Check out Amber's calendar for specifics. As always, if you have any suggestions for places to visit or events to be share, drop Amber an e-mail so she can have them added to the calendar.

Hope to see you all this weekend.

Beverly
