

January, 2009

Hello Everyone!

If you missed the Chili Kickoff, you missed a real treat. The weather was absolutely perfect, the food and desserts were great, and the fellowship was Excellent! We couldn't have wished for a better day.

As you can see from the calendar of events attached, the event planning committee is back in full swing. We have quite a few events on the calendar and are busy planning for the rest of the summer and year. If you would like to participate in this planning, please let me know and I will let you when we get together to meet. If you have any suggestions for places you would like to go or events you know are upcoming, please let me know and I can include them with each monthly newsletter and calendar.

The next big event is our annual Sweetheart Party on February 14th. We are having this year's party at the Ronald McDonald house at 712 E. 7th Avenue. There is plenty of room inside and outside for this event so bring you lawn chairs. We will have secure parking available so everyone can drive your corvette! We are asking members to bring a covered dish and/or dessert. The club will be providing the meats, paper goods, iced tea, and a cake. If you want something to drink other than tea, please bring it.

The Ronald McDonald house provides living accommodations for families that are in town for medical treatment for children. To help them with this mission, we are asking every club member to bring canned goods or paper products to add to their pantry.

We are still working hard on the details for our Annual Champion Chevrolet / Cruisin' Corvettes car show in April. We are in need of items to be used for door prizes and items that can be used for the silent auction. The silent auction alone raised about 40% of the money we were able to give to the Lighthouse Children's Home last year. If you can get anything we can use, let Russ Sobczak know and he or someone else on the committee can make arrangements to begin gathering these items together.

I have attached a registration form for the car show. It really helps with registration if we are able to have these forms and checks before the day of the show. This year we are having a "swap spot" where you can reserve an area to sell / swap things that you no longer desire to collect. You must include the \$10.00 fee with your registration form. I am not exactly sure how many spots will be available, so I suggest you register early!

See you at the business meeting on February 5, 2009!

Amber Dyess
