

April, 2009

Hello Everyone:

I hope you are all doing well.

Attached is a calendar of events for the next few months of activities planned for the club. We are going to be quite busy this summer. If you can't make all the events, please come when you can. If your car is in the shop or the weather doesn't permit driving it, come in whatever vehicle you want. It is always great to visit with each of you. We have made a few changes to previously announced events to allow for participation in other local car shows. These events have been rescheduled for another time this summer.

The Annual Champion Chevrolet & Cruisin Corvettes car show is next week. I hope each of you are planning to attend. We are hoping for warmer weather than we had last year. If you have silent auction or door prize items that you have collected, you can bring them to the business meeting tomorrow night or you can bring them to Champion Chevrolet on Thursday, April 9th at 7:00 and help us stuff goody bags. As always, the more the merrier!

If you haven't paid your membership dues, this is the last newsletter that you will receive. It is time to purge the membership list to reflect current membership. If your dues are received later, then you will be added back to the roster.

Please update your address book or contacts list to show a different e-mail for me. Alltel has made some changes and my "home" e-mail address has been changed to amberdyess@windstream.net. As always, if you need to contact me during normal business hours, you can use my work address of amber@balfourlumber.com. I monitor this one all day long.

Don't forget tomorrow night is our monthly business meeting. If I don't see you then, I will see you next week at the car show.

Until then -

Amber
