Hi Everyone

As always, I hope this e-mail finds you all doing well.

On behalf of the Car Show Planning Committee, I would like to thank EVERYONE who helped with the car show. This was the most successful event to date. We had 82 cars that participated and we raised \$3,000 for the Lighthouse Children's Home. Everything was perfect, even the weather. Events like this can only be successful with the combined efforts of many. I will be contacting the Lighthouse in the near future to schedule a time for us to visit with the girls and have a pizza party and present them with the check for the show proceeds.

WELCOME NEW MEMBERS !!!! Frank & Barbara Ann Lee are from Tallahassee and drive a red 2004 Convertible. Dan & Lorrie Arterburn are from Perry and drive a 1969 White 427 Convertible. Let's all make them feel welcome by taking an opportunity to introduce ourselves whenever they join us at a business meeting, Famous Dave's get-together or other club event.

We have quite a few excursions planned for this summer as I have detailed on the attached calendar. If you have any suggestions for places you would like to visit or a good place to eat and then take a drive, please let the planning committee know. If anyone is interested in being on the planning committee, please let me know and I will let you know when we are meeting. If you have any specific questions about any of these events or need further information, please give me a call or e-mail.

Well, I guess it is time to go. Take care - -

Bye for Now
