Good Morning Everyone!

I hope this e-mail finds each of you doing well and surviving the heat! Attached is the most current calendar of upcoming events.

To highlight a few upcoming events -

This Saturday coming up, June 13th, we will be cruisin' to Hog Wild BBQ in Carrabelle for lunch. They have a country vegetable and fried chicken, etc, lunch buffet or you can order from the menu. They have excellent BBQ, of course, and seafood also. After lunch we will cruise on down to Apalachicola to a cute little ice cream shop for dessert. And, what's a cruise without a little shopping? I hope to see all of you on Saturday. If the weather doesn't permit you to drive your corvette, feel free to join us in your grocery getter!

We will also be visiting the Lighthouse Children's Home on June 27th to deliver to them a check for the car show proceeds. I spoke with Brother Billy last week and he was excited to have us come visit. The girls always enjoy the fellowship, the cars and the pizza. We raised a record \$3,000 from this year's show. Thank you again for everyone who helped with the show and to those of you that participated, helping to make this show a success. Again, another thank you should go out to Champion Chevrolet for their support and sponsorship. Without their contribution this would not be possible. We will be meeting at the Waffle House at Hwy 90 & I-10 at 11:30. We will be having a pizza party. Please bring drinks and desserts. If you have not had an opportunity to visit with the girls at the Lighthouse, you should try to join us. I, personally, receive a blessing each time we visit.

We have quite a few activities scheduled for this summer. I know it is not possible for everyone to participate in every event, but it would be great to see all of you as much as possible. If you have any questions about an event we have scheduled or suggestions for somewhere you would like to visit, please let me know.

Well I have to get ready for work!

Bye for now -
