"Our enthusiasm and passion for the Corvette has brought us together to learn, enjoy and fellowship with each other while enjoying this great American sports car."

Hello Cruisin' Corvette Members!

I would like to open this month's letter with a warm welcome for a few new members. Larry & Jane Bodkin drive a 1988 black convertible. They share their love of the Corvette with their son (and new member) Mark Bodkin. Mark also drives a 1988 black convertible. I would also like to welcome Terry Thomas. Terry drives a 1974 green coupe. I look forward to meeting each them at one of our gatherings!

What a fabulous time we had at the Pioneer Village and Parramore's Restaurant! The weather looked a little bleak to start, but it turned out to be a good day after all. We met at TCC and cruised to the Pioneer Village where we met the Dothan Alabama Circle City Corvettes and the Panama City Emerald Coast Corvette Club. There were approximately 80 people who participated in this event! How exciting is that?

Last Saturday, August 8th, members bowled at Capital Bowling Lanes. There was a small turnout, but all had a rolling good time! Guess the others were recovering from the weekend before. Cruisin' Corvettes play true to their name...always cruisin' somewhere for a good time.

Don't forget to click on the attachment Amber has included with this letter. New members Frank & Barbara Lee provided their take on the trip to Blountstown. It is always encouraging to get to know new members and for them to feel welcome and that they are part of Cruisin' Corvettes. A big thank you to Frank & Barbara!

Our Saturday cruise-in at Famous Dave's was a little bleak this past Saturday. Unfortunately the weather played a big part I'm sure. However; Gary Allen braved the weather and drove his Vette and it didn't melt!! The Road Cru was also at Famous Dave's which has caused some conversation, but for the good. The more the merrier everyone has agreed. It seems more clubs are having problems finding a good place for Saturday night cruise-ins here in Tallahassee.

Some have expressed a desire to have a bigger Corvette showing at the North side Sonic the first Saturday of each month. If you are available, take a cruise up there. I hear that about 60-70 vehicles show up of different makes & models. Let's let everyone know there are Corvettes in Tallahassee!

Our next club event is on Saturday, August 29th when we will be cruisin' to Live Oak to the Dixie Grill and the Stephen Foster Museum. We are meeting at the Waffle House on Hwy 90 East and I-10 at 10:45 to depart at 11:00. Heck, if you think it is going to rain, drive the "other" car. You don't have to drive the Vette, just make sure you are there! This trip will finish up August.

September 12th, we are having a low country boil in Panacea at a private residence. We will need your RSVP!! Since shrimp are so expensive, we do not want to overbuy as the club is providing the main course. This will be a "members only" event. If you are planning to attend, please e-mail Amber at amber@balfourlumber.com or amberdyess@windstream.net. We are asking that members bring side dished, finger foods or desserts and chairs. If you wish to take a dip in the private pool (swimsuits required!), bring your own towel.

Our Christmas Party this year will be held on Friday, December 11, 2009 at the University Club. We have not finalized all the details or menu choices yet, but mark this date on your calendar. More details will follow.

We have a lot coming up and are looking forward to seeing you there!

Save the Wave!
