

February, 2010

Hello Cruisin' Corvette Members!

Our first month of the New Year is over and now is the time to get down to some serious cruising! We have cooked up some fun gatherings and trips for the upcoming months.

First a bit of old news. We had a fabulously fun time at the January Chili Cook-Off. Due to the cold weather it was held at Classic Motor Storage. Pictures of the event are on the website for your viewing. We cannot thank Lin Mitchell enough for his generosity! Lin has a beautiful shop with lots of cool vehicles and plenty of room. If you have to fly out of town, you can store your vehicle at his inside facility. Or should you need temporary shelter for your Vette or any other vehicle, he provides those services as well.

Congratulations go out to Debbey Russo and Vicki Mildenberger, winners of the 2010 Chili Cook-Off!

February 13, 2010 is our Sweetheart party that will be at the Ronald McDonald House located at 712 East 7th Avenue. The festivities will begin at 11:00 a.m. We thought we would have an Italian theme for the party. We are asking that members bring their favorite Italian salad, casserole, bread, salad or dessert. The club will furnish paper goods and tea.

January gave us a horrible Corvette day for our first Cruise In at Beef O Brady's. A few members did show up at Beef's despite the weather. We are looking forward to a big turn out for February's Cruise In at Beef O Brady's on February 20th! If you know someone with a Vette that is not a member of the Club, invite them. This is a good opportunity for interested Corvette owners to get to know us.

In March we are having a poker run to Coastal Restaurant in Panacea. We're sure this will be a blast!

During the next meetings and cruise ins before the show on the 15th of May, we will be giving away Cruisin' Cash that can be redeemed the day of the show towards the purchase of silent auction items. So be sure to attend!

Save the Wave!
