

March 2010

Hello Cruisin' Corvette Members!

Our Sweetheart party was an Italian success! We have some fabulous cooks. There were good Italian entrees and desserts. I don't think anyone left hungry.

During conversations of how good everything was, the ladies of Cruisin' Corvettes come up with the idea of a Cruisin' Corvette Cookbook. What a wonderful idea. We tossed it around for a while and I think we are going to do it!

We had visitors from Circle City Corvettes, the Robertsons and Hickmans. John Hickman shared with us the details of their 2010 Beach Caravan. The Beach Caravan is their biggest event of the year. It is a lot of fun and people from the Corvette plant and museum attend this event and put on clinics for the participants. Sometimes we even get a look at a proto Vette that is not on for sale yet!!

Our February cruise-in was a great success too! There were a lot of Vettes and members there. We enjoyed the cars till almost dusk when we went in Beef O'Bradys for dinner and great conversation. Pictures of the cruise-in can be seen on the website as soon as Jerry loads them along with pictures from the Sweetheart party.

Congratulations to Bill Camper who won the 50/50. Lee Chadbourne and Lewis O'Conner won Cruisin' Cash that can be used at the May 15<sup>th</sup> show. Be sure to join us during the next event as more Cruisin' Cash is to be given away.

Our March 13<sup>th</sup> event may change. We'll cruise to Blountstown and have lunch there. We will be meeting the Panama City Club and Dothan Club. Plan to join us!

Save the Wave!
